Cari Fratelli,

It was great to see so many Brethren at our first meeting of the year. I'm anxious to begin our preparation for the work that lies ahead. Our Annual Dinner Dance is less than three weeks away. If you have not made reservations as of yet please do so ASAP. If we don't meet the minimum amount then the Lodge will have to compensate. This would most probably result in the end of the Dinner Dance tradition. I urge all of our Brethren to attend. It is an event that will bring the warmth of Brotherhood on a cold wintery day. Not to forget to mention warmth in the stomach muscles as well.

Our next meeting is Brother move up a chair night. This is especially important for those Officers in the line to get the feel of the chair that awaits them next year. The following meeting on the 15th will be Brother Bring a Friend/Awaiting Apprentices Night. We have 2 DVD's sent to us from Grand Lodge that we will be showing. One video is from Lee Sherman Dryfus Former Governor of Wisconsin, who discusses the history, meaning of purpose of the Craft. His enthusiasm is contagious and his words are powerful. This DVD is one not to be missed. If you have a Friend or relative that you feel is a good man and could be made a better man, maybe Masonry is the light he needs in his life. Our Craft needs good men and good men need our Craft.

Next month will be the Official Visit of the DDGM to our Worshipful Lodge. Lets come out in strength to welcome him. Also rehearsals will begin for our First Degree. Brothers with speaking parts try to keep studying. I hope to greet you all at the Dinner Dance.

May the Great Architect guide you always. God Bless You. God Bless our Troops and God Bless America.

FRATERNMENTE

W.:Nick Cucuzza
